Dear Steve,

Re: Schedule 4 Restriction

On behalf of the Board of Directors, management and staff I would like to thank you and your team for the positive contribution you have made to the safety and security of our premises, staff and members.

During the past 12-15 months we have worked together in a true partnership to reduce anti-social behavior and incidents. This has been a very successful initiative with the club now being removed from the infamous Schedule 4 List. This is a significant achievement due to the popularity, size and visitation of the venue.

This success has been a direct result of the diligence and professionalism of you and your guards and the Operational Managers of the abovementioned club and I thank you for the same.

Yours sincerely,

David O'Neil ACCM
GROUP GENERAL MANAGER
